

YOUNG LEARNER LEVEL CHART

Program + Description		Levels	Pre-A1	A1	A1+	A2	A2+	B1	B1+	B2	C1	C2
	<b>Look and See</b> A three-level series that helps learners explore, question, and create by understanding the world, working together, and buidling strong language foundations.	3										
	<b>Hide and Seek</b> A three-level series that has English language, literacy, numeracy and basic science at its core, with an activity-based approach that ensures whole-child learning and development.	3										
	<b>Reach Higher</b> Reach Higher guides students to learn English, learn about the world, and learn about themselves through authentic content with a global perspective. Primary students develop the academic language skills and content knowledge they need to get an education in English.	6										
	<b>Look</b> A seven-level series that helps students use English successfully in the 21st century with short, fresh lessons, a balanced skills foundation and confidence-boosting exam support.	7										
	<b>Our World, Second Edition</b> A seven-level series for the content-rich classroom that helps students use English to interact with the world, with a balanced, four-skills curriculum and cross-curricular exposure.	7										
	<b>Explore Our World, Second Edition</b> A seven-level series for the communicative classroom that helps students use English to interact with the world, with a listening, speaking, and pronunciation focus and cross-curricular exposure.	3										
	<b>Our World Phonics with ABC, Second Edition</b> A three-level series with alphabet book that introduces students to the English alphabet and helps them learn, practice, and understand sounds and sound/spelling relationships in English.	3	N/A									
	<b>Our World Readers</b> A six-level reading series of original stories, folk tales, myths, and non-fiction from around the globe that encourages reading for fun and brings storytelling into the English classroom.	NA										
	<b>Explorations</b> A series of project-based STEAM courses for young learners, featuring National Geographic Explorers, video lessons and hands-on projects in English.	4
